## Class of Service

Single phase, alternating current, at available secondary voltages.

## Availability

The schedule shall be available only to those who had a special electric heat rate prior to 7/1/83 to be used in conjunction with the standard single phase rate. This schedule is closed to new members.

## Monthly Prices

Fixed Charge	\$5.25 per month (12 months per year)
--------------	---------------------------------------

All Energy Summer (June, July, August consumption)	\$.1270 per kWh
--	-----------------

All Energy Winter (Dec, Jan, Feb. consumption)	\$.1120 per kWh
--	-----------------

All Other Months consumption	\$.1070 per kWh
------------------------------	-----------------

## All Rates

Minimum applies 12 months per year even when disconnected. If meter is removed billing will stop. However, when service is reconnected a bill will be rendered for months not billed. This applies to services disconnected for up to 2 years.

## Billing

The bill is the amount computed when applying the facility charge, the power cost adjustment and the above price to the number of kWh's consumed. All applicable charges including, but not limited to, security lighting, load management devices, taxes, and commitment to community charge shall also apply. Bills are rendered on or about the 5th day of each month. The bill becomes delinquent if not paid within 20 days of the billing date after which a late payment charge shall apply.

When payment is made after the due date, a late payment charge is added. The late payment charge will be 3% of the current portion of the unpaid billing.

When service is connected or disconnected the monthly facility charge shall be prorated for the number of days available.
