

SAVE MONEY WITH CLARK ELECTRIC INCENTIVES

As a co-op member, you once again have the opportunity to earn incentives through energy efficiency measures into the new year. Members have already earned thousands of dollars over the years, and this year Clark Electric Cooperative will offer much of the same. You

can control your energy costs by making your home as energy efficient as possible through lighting, appliances, heating and cooling, and more. As a member of Clark Electric Cooperative you may also qualify for Focus on Energy rebates. Visit focusonenergy.com for available rebates.
